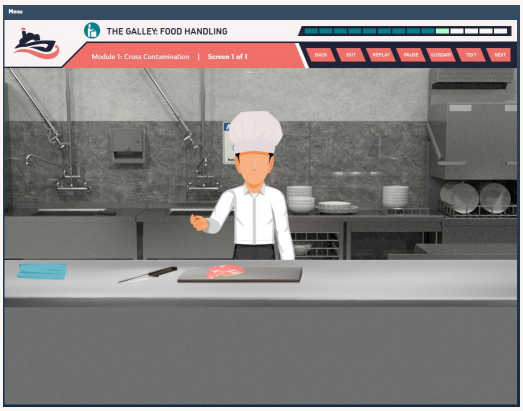
INTELLIGENT SEAS GROUP

THE GALLEY: FOOD HANDLING AWARENESS ELEARNING COURSE

LEVEL OF COURSE	Awareness
DURATION	60 minutes
SUITABLE FOR	All seafarers
PRE-REQUISITES	None
STANDARD(S)	Code of Safe Working Practices
LANGUAGE	English



In this Food Handling elearning course, delegates will learn the importance of safe and effective food handling procedures onboard. Delegates will look at the common types of food poisoning and how to take precautions to avoid them, and how to safely store, prepare and serve food onboard.

This fully online course contains interactive exercises and frequent knowledge checks to keep the learner engaged throughout, and end-of-module assessments to gauge the learner's progress. A real life maritime case study highlighting the importance of the training provided. An interactive 360° environment provides a unique learning experience and high quality images keep the material relevant and relatable for the learner.
